

# HOW **ECONO-COURIER** HANDLES THE MANUFACTURING BUSINESS

## Supply Chain Solutions:

Shipping options from supplier to manufacturer to retailer to consumer.

## Logistics:

Organization and planning for the most productive and economical shipping solutions for your business.

## Just in Time Delivery

Schedule to pick-up or deliver when you need it. No sooner and no later.

## Last Mile:

Ship it in from around the globe and we'll handle the most critical step in the shipping process, the last mile.

## Peak Demand Support:

Access to additional storage or vehicles when you need it and not when you don't.

## Outsourcing Options:

Reduce fixed cost and management expenses. Use our services as needed.
